

# CSI Camp

August 1-5, 2011

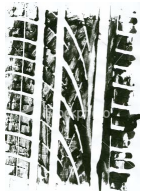

Cost \$85.00  
(cost of field trip included)

Ages 6-14

**MYSTERY** surrounds the camp this week! It seems that someone or something is trying to run off all our campers. This week we will have to use everything we learn to try to solve the mystery. We will learn to study fingerprints, blood samples, and make castings of tire tracks and footprints. We will watch police officers use their canines to help them solve crimes. We will also provide each camper with ID cards complete with photos, fingerprints, and their own DNA sample. On Thursday we will take a field trip to Water Country, USA in Williamsburg, VA and spend the night at camp. We will dismiss early on Friday morning after we solve the mystery.

Applications available online at:
