

iNature Camp

June 27, 2011 - July 1, 2011

This is a brand new concept to help campers explore the great outdoors without having to give up their cell phones, iPods, laptops, and other technological devices. This is the only week that we will allow campers to bring these items and actually utilize them at camp. We will have this technology at camp as well in case campers don't want to take a chance on losing their own. We will take hikes, explore nature, and make presentations to learn that we can get outdoors and use technology too! We will take a field trip to the Richmond Science Museum on Thursday.

Cost \$75 (Includes field trip costs) Ages 8-14
Applications are available online at:
www.halifaxnc.com/4hrurallife
