

FOR IMMEDIATE RELEASE

June 22, 2022

Bruce Robistow, Public Health Director
(252) 583-5021 or robistowb@halifaxnc.com

Effective 6/22/2022

The Halifax County Health Department now has the Pfizer vaccine for children 6 months – 4 years old. Appointments are available on Tuesdays and Thursdays. Please call 252-583-5021 to schedule an appointment.

The Halifax County Health Department continues to limit appointments to the **patient only** or parent/guardian and child for pediatric visits. Visitors accompanying the patient should wait in the car.
